Name and address of the car driver /owner

Dear Madam, Dear Sir,

In accordance with FIEA code of conduct, article n°5, within the scope of our expertise mission we have the duty to give the car owner our opinion about the unsafe condition noticed on his vehicle.

Thus, following the expertise of your vehicle dated we are keen to inform you that we noticed.... (description of damage noticed , in a simple sentence).

Ex: Excessive wear and tear of tyres
Existing corrosion which weaken the car structure
Bad repairs which put at risk a safe use of the car
Defaults in steering system components

Consequently, we do highly recommend you to have your vehicle repaired in the shortest possible time for your personal safety and the others car drivers as well.

Should you need any additional information, we remain at your disposal.

Yours sincerely,

Name and Signature of the expert
